This lightweight supersport with its Moto GP-inspired look makes it the most radical 300 on the street... or track.

Its sleek bodywork echoes the YZR-M1 race bike and the aggressive dual LED headlights underline its pure R-series DNA.

High-specification 37mm inverted front forks offer enhanced suspension feel and feedback while a low fuel tank and revised handlebar position improve rider ergonomics to give you greater comfort and control.

Step up to the plate, and enter R-World.
