Stunning Tracer MT 09 GT.

This is a hard to beat sport touring Yamaha that excels in performance and comfort.

The Tracer 900 GT features a 847cc liquid-cooled, inline 3-cylinder, DOHC, 12-valve engine derived from the award winning MT-09. This engine combines high-tech components with a crossplane concept crankshaft to deliver an exciting, sporty engine character with plenty of torque for flexibility and relaxed highway comfort.

Pace and grace. Sport tourer with beautiful exhaust note.

This Tracer has full Akrapovic system, Yamaha hard panniers, Garmin Navigator, active suspension, cruse control, quick shifter up/down, heated rider seat, heated grips, powered quad lock, tank pads, engine case covers, tail tidy.

This Tracer Gt has a lowering link fitted. Can be removed if required.

This is a very tidy example and will not last long.
